ABOUT US

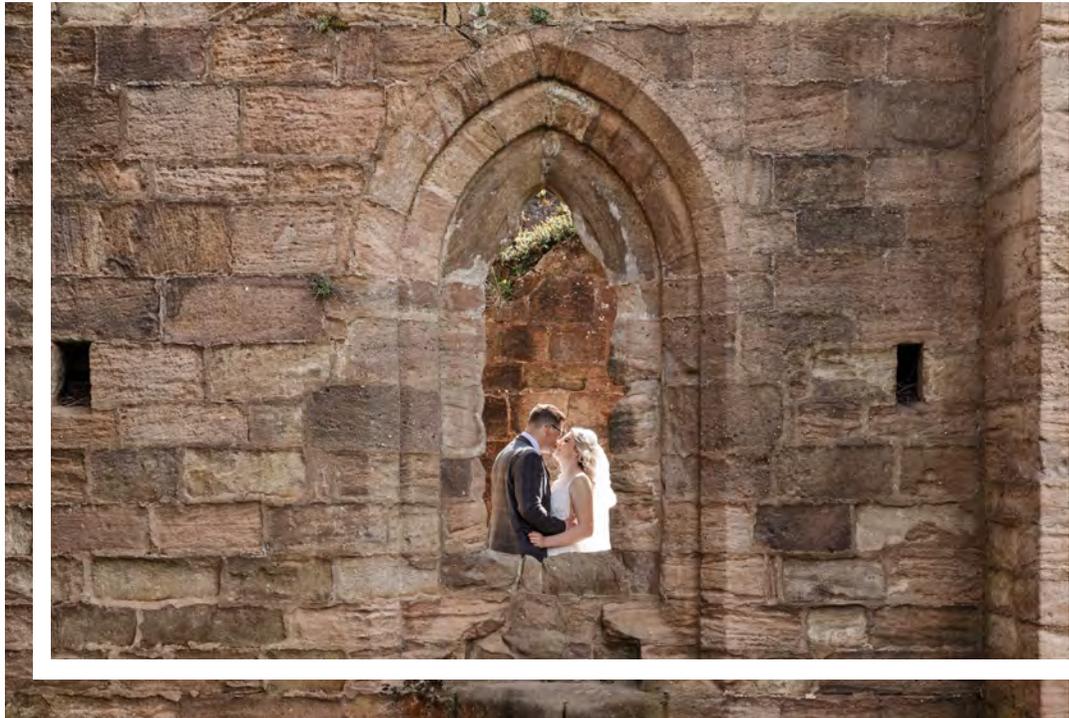

We are set in the centre of the picturesque village of Spofforth, North Yorkshire; a stone's throw from the ruins of the 11th century Spofforth Castle. With a traditional dining room, large modern courtyard and converted barn, the Castle Inn can provide a beautiful wedding celebration. Our 12 boutique bedrooms and sun-soaked terrace add to the experience. Our team will guide you through every planning stage to make sure you relax and enjoy every moment of your special day.

WEDDINGS AT THE CASTLE INN

Close to Harrogate and only 10 minutes from the A1, our inn is easy to find and conveniently located. Once here, a two minute walk will take you to All Saints Church. You can also enjoy a five minute stroll to discover the ruins of Spofforth Castle - an 11th Century manor house and gorgeous backdrop for wedding photographs.

We have a number of areas that can be used on your wedding day; the light and modern Yard, with its retractable roof and sandstone floor will ensure a lasting impression. In contrast, our charmingly elegant Dining Room with deep colours is perfect for a more intimate atmosphere. If the sun is shining, our terrace, complete with an outside bar, is the perfect space to enjoy a celebratory glass of fizz with friends and family. Our Lantern Bar or Barn provide the ideal indoor location for a drinks reception should the weather not be so kind.

CATERING

Our team of highly skilled chefs will prepare your stunning dishes. Local suppliers, such as butcher and charcutier Lishman's of Ilkley, are here to support us with our menu development. Once your booking is confirmed we will invite you to talk through the details of your menu and of course, to try the food.

Choose from a range of three-course menus starting at £35 per person. We will provide all the linen, crockery and cutlery for the tables, as well as a full team of highly-trained serving staff. A dedicated front of house manager will make sure you and your guests are well looked after. We will work through your own unique ideas to create your perfect day.

DRINKS

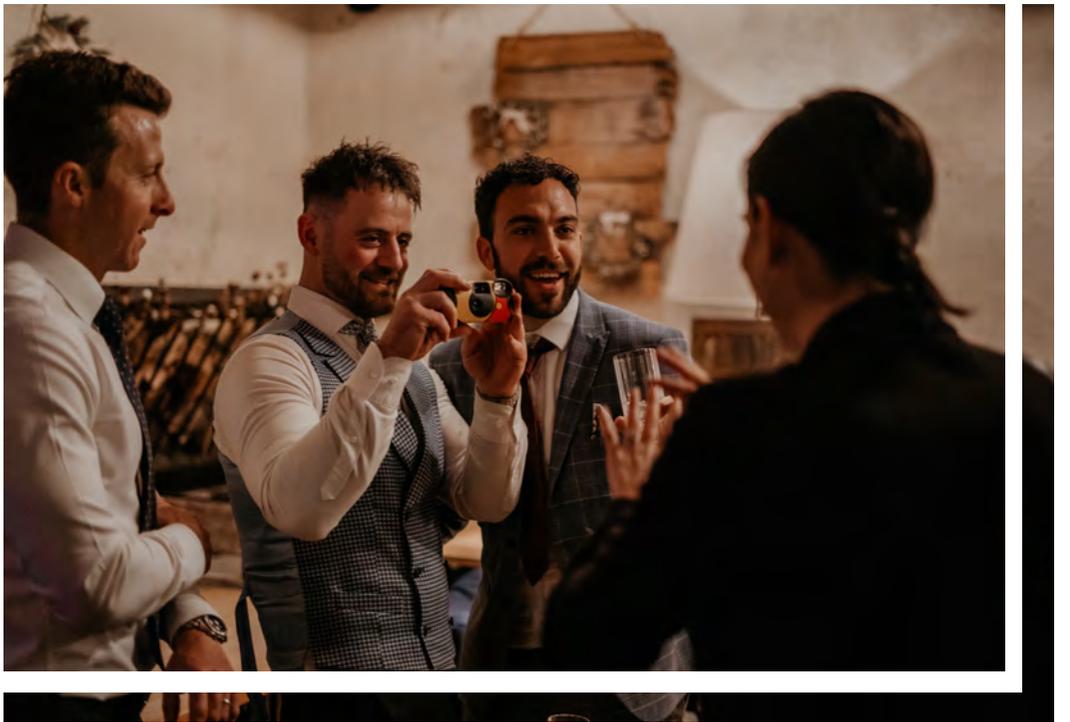

We want the day to reflect your personal style and for your guests to enjoy a unique experience.

We have hand-picked a selection of fantastic wines, champagnes and beers from which to build your own drinks package.

An expert team is on hand to help guide you and offer advice. So, whether you are a lover of food, wine or simply want to enjoy a brilliant bottle of beer, the Castle Inn has it all.

DID YOU KNOW?

It is thought that the term Wedding Breakfast comes from the 17th century tradition of couples fasting before their wedding service. Once the ceremony was complete, their first meal as husband and wife would 'break the fast'. Today, with our beautiful restaurant on site, fasting is not something we would recommend.

ACCOMMODATION

We have 12 individually-styled double bedrooms, each named after a different castle. All are finished to an exceptionally high standard and range in size from a cosy twin to super kings.

Rooms are allocated on a first come, first served basis and we would advise booking as soon as possible. We do tend to get booked up many months in advance.

CEREMONIES

The Castle Inn is licensed to hold ceremonies. Make the day seamless by hosting the full event in one place. The Castle Inn has a number of different spaces, dependant on the size of your party. Ask the team for more information.

Once you've decided to hold the ceremony at The Castle, you will need to book the registrar. Contact the registrar team and let them know your chosen dates and venue. They will be happy to contact you with availability and prices or to take your booking.
